Management Challenges	HWL's Solution
• Lack of standardization in contracts, rates and expenses	• One contract for all agency relationships with standardized terms
• Rates & costs vary widely across specialties and facilities	• Uniform rate and expense caps based on specialty
• Time spent managing agency relationships and issues	• Experienced account management team that handles all aspects of locum's process
• Inaccurate and time-consuming invoicing	• Tech-enabled invoicing process with account manager oversight
• Lack of visibility into important KPI's	• Full suite of reporting and analytics tools for all KPI's

Proven Results

- 5-10% reduction in rates for most specialties
- Faster time to present
- Increased flow of quality candidates
- 99% accurate invoicing process
- Actionable data & analytics to make decisions
- Significant decline in agency cold calls and emails
